## **Daylesford Delivered**

Daylesford Delivered is a shopping and delivery service, available from our Pimlico store: traditional personal service, at its best.

### **what does Daylesford Delivered offer?**

#### **someone to shop for you!**

visit us, or call us - we can select from our entire range of fresh, organic seasonal food and deliver when, and where, you wish. We can keep you informed of new dishes and what is best in season – and will also store details of what you need on a regular basis.

#### **special events**

you can order from our carefully sourced seasonal menus, or feel free to ask for the unusual. Let us entertain in-store for you – or deliver everything for your party, to your home.

#### **wines**

we offer sommelier advice to match menus with wines – including bio-dynamic, organic, fine and rare wines.

#### **flowers**

our Garden Room at Daylesford will arrange beautiful flowers for dinner parties, special events....

#### **orders**

call 020 7881 8070 and we shall have your order ready for collection, or for local delivery.
